5. Fire Fighting Measures

| | |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extinguishing Media Recommended: | Use CO ₂ , Dry Powder or Foam Extinguishers, spraying extinguishing media to base of flames. Do not use direct water jet on burning material. |
| Special Measures: | Avoid vapour inhalation. Keep away from sources of ignition. Do not smoke. Wear positive pressure self-contained breathing apparatus & protective clothing. |
| Extinguishing Procedures: | Closed containers may build up pressure when exposed to heat and should be cooled with water spray. |

6. Accidental Release Measures

| | |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions: | Avoid inhalation & direct contact with skin & eyes. Use individual protective equipment (safety glasses, waterproof-boots, suitable protective clothing) in case of major spillages.. |
| Environmental precautions: | Keep away from drains, soils, surface & ground waters. |
| Cleaning up methods for spillages: | Remove all potential ignition sources. Contain spilled material. Cover with an inert or non-combustible inorganic absorbent material, sweep up and remove to an approved disposal container. Observe local disposal regulations. |

7. Accidental Release Measures

| | |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Precautions in handling: | Apply good manufacturing and industrial hygiene practices ensuring proper ventilation. Do not drink, eat or smoke while handling. Observe good personal hygiene. |
| Storage conditions: | Store in tightly closed original container, in a cool, dry & ventilated area away from heat sources & protected from light. Keep air contact to a minimum. |
| Fire protection: | Keep away from ignition sources and naked flame. Take precautions to avoid static discharges in working area. |

8. Exposure Controls / Personal Protection

| | |
|-------------------------|-------------------------------------------------------------------------|
| Respiratory protection: | Avoid breathing product vapour. Apply local ventilation where possible. |
| Ventilation: | Ensure good ventilation of working area. |
| Hand protection: | Avoid all skin contact. Use chemically resistant gloves if required. |
| Eye protection: | Wear safety glasses. |
| Work/Hygiene practices: | Wash hands with soap & water after handling. |

9. Physical and Chemical Properties

| | |
|--------------------------|------------------------------------------------------|
| Colour / Appearance: | Clear, colourless to very pale yellow, mobile liquid |
| Odour: | Sweet, floral, like the flower |
| Specific gravity @ 20°C: | 1.030 – 1.070 |
| Refractive Index @ 20°C: | 1.350 – 1.550 |
| Flash point (°C): | > 62°C |

10. Stability and Reactivity

| | |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity: | Presents no significant reactivity hazard, by itself or in contact with water. Avoid contact with strong acids, alkali or oxidising agents. |
| Decomposition: | No data available |

11. Toxicological Information

No specific toxicological testing has been carried out on this preparation. All ingredients in this preparation have been incorporated under the controls of current legislative requirements and the guidelines issued by the International Fragrance Association (IFRA).

12. Ecological Information

| | |
|-------------------|----------------------------------------------------------------|
| Biodegradability: | Data not available |
| Precautions: | Prevent surface contamination of soil, ground & surface water. |

13. Disposal Considerations

- Dispose of according to local regulations
- Avoid disposing into drainage systems and into the environment

14. Transport Information

| | |
|-----------------|----------------|
| Road (ADR/RID): | Not applicable |
| Air (IATA): | Not applicable |
| Sea (IMDG) | Not applicable |
| CHIP: | See section 15 |

15. Regulatory Information (According to Directive 88/379/EEC)

| | |
|-----------------|---------------------------------------------------------|
| Hazards: | Irritant |
| Symbols: | Xi |
| Risk Phrases: | R43 May cause sensitisation by skin contact |
| Safety Phrases: | S24 Avoid contact with skin S37 Wear suitable gloves |

16. Other Information

Cosmetics Directive 7th Amendment: Restrictions may apply. A source of allergens as listed below. Check maximum usage levels for skin care products.

16.1. Allergens

Geraniol, Citronellol Benzyl Alcohol, Cinnamyl Alcohol, Citral, Eugenol, Cinnamal, Butylphenyl Methylpropional, Linalool, Limonene, Alpha-methyl ionone, Evernia Prunastri Extract

16.2. Packaging

| Type | Suitability |
|----------------------------|-------------|
| Glass: | Yes |
| Lacquer lined steel / tin: | Yes |
| Aluminium: | Yes |
| HPPE: | Yes |
| F/HDPE: | Yes |
| Other plastic: | No |

16.3. Shelf Life

When stored within advised conditions, re-test after 24 months and then at 6 monthly intervals up to a maximum life of 36 months.

16.4. QC Requirements

In-line with general product specification. Always satisfy suitability for specific application.

The data provided in this material safety data sheet is meant to represent typical data/analysis for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its' correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use..
